Of notable interest, \$78.00 for PTA membership; \$100 childcare; \$499.50 in miscellaneous expense for paper goods and food for the September 2007 meeting; and \$54.70 for the President's fund expense for the August Executive Board dinner meeting. The childcare budget, \$800, was also updated to reflect the September approved motion.

4 Principal's Report/Parent's Advisory Forum.....Sandye Simon, Principal

LES Principal Sandye Simon reported that a PAC meeting was held earlier that evening to discuss how to improve the transition from Elementary to Middle School. Part of the discussed improvements was to better educate the parents of what to expect in the change. Bailey's Garden Phase 1 is being installed on Saturday October 6, 2007. Bailey's Garden will be an addition to the existing playground. The Open House was a huge success. October 11, 2007 will be Fire Safety day. The 1st of 2 planned fire drills were successful. A lock down drill is planned for somewhere within the month of October. Teachers, and students, will not know the date or time of the drill.

5 LES Math Program.....Linda Russo

Mrs. Russo presented the LES Math Program. The math program curriculum is produced by Scott Foresman - Addison Wesley. Anything on the CT Mastery test is in these books. The expectation is that our children will know more earlier within their student career. While the old program expected Grade 2 to know the basic facts, these basic facts are now being learned in Grade 1. Each text is divided into 12 sections. After each section is a test. K through 2 math books are consumable, whereas the 3rd and 4th are hardcover books. The tests are given along the lines of the mastery tests. The next big challenge is the transition between the 4th and the 5th grade programs, which are different programs.

Math dictionaries "Math on Call" are completely separate from the Scott Foresman books. These are great resources for use for us and our children. Also have Algebra and Geometry for Grade 8+.

Motion to take orders for "Math on Call" at the fall Book Fair was moved by Lisa Verizzi and seconded by Beth Pavlich. There was no discussion. Motion passed unanimously.
